# STANDARD EQUIPMENT

The 32 Beauty Light Lamps in the newly designed Beauty Angel 7200 create a warm, inviting and energizing atmosphere combined with a full body workout by the vibra-shape platform.

The interior shines brightly with LED lighting for a clean and inviting space that your customers will enjoy.

The new Surround Cooling Plus system encircles the entire body with an adjustable flow of cool air throughout a session. From head-to-toe, users are able to perfectly position the flow of air to individual specifications.

The new Floating Door System on the Beauty Angel makes customer use and maintenance simple with enhanced floating hinges, soft-close technology and one-touch opening capability for entrance.

The 3D Sound System provides a sensational sound experience. The system consists of two speakers and an integrated subwoofer. Clients can connect their smartphone via audio cable or use the internal SD card.

With this function your clients can connect their MP3 player or smartphone using an audio cable and enjoy their own music during the Beauty Angel session.

Vibra Shape, activates the body's entire muscular system through its vibrations. The client can choose from four different programs, each offering varying levels of targeted muscle stimulation, exercise and massage intensity.

The Smart Touch Control Panel by Ergoline sets a new standard. The sleek glass surface is attractive, intuitive and easy to clean. Simply select a feature and used the the Plus and Minus buttons to adjust to your desired settings.

The Professional Set-Up Manager makes it easy to adjust the Beauty Angel to your salon's needs. Preset the default settings for various features including the LED light show, AC temperatures, fan speed and music volume, to name just a few.

Voice Guide supports your customers in selecting and adjusting comfort features during a session in the Beauty Angel. Voice Guide can be deactivated or activated at any time.

Using Bluetooth Connect, the client can wirelessly transfer their favorite music from their own smartphone to the Beauty Angel. It's really easy to control during the Beauty Angel session using the convenient Smart Control panel.

### The following people should not use the BEAUTY ANGEL:

Women who are pregnant, People with epilepsy, People with illnesses that are sensitive to light, People using medication or herbal remedies that may result in light sensitivity such as antibiotics, anti-inflammatory drugs, St. John's Wort, etc. Platform Body Vibration training should be omitted after surgery or if you are suffering from cardiac issues, hip and bone diseases, are pregnant, have received bone implants or are suffering from an acute illness or inflammation. **If in doubt about whether you should use the Beauty Angel, please seek medical advice prior to use.**

**Eyewear:** The Beauty Angel is not a tanning device, but the lamps emit light energy that is bright in nature. Therefore, we recommend the use of protective eyewear such as Super Sunnies®, Podz™, Wink-Ease®, sunglasses or similar products that limit light transmission while using the Beauty Angel. The eyewear should still allow you to see the control panel and maneuver about the cabin area. You should test eyewear with the unit activated to ensure comfort and safety. The Beauty Angel generates bright visible light that may cause headaches or discomfort for those who are sensitive to such light. You should never stare directly into the light for any reason. **Cosmetics:** Please be aware that makeup may reduce or block the effectiveness of the system. For best results we recommend removing all makeup prior to use. **Medication:** Certain photosensitive medications and cosmetics may increase sensitivity to light. Typically, these products feature a warning label to notify you of potential adverse effects. Please consult with a physician prior to using the Beauty Angel if you are using any such products or medications or have a history of skin problems or believe yourself to be sensitive to light. A list of common photosensitive medications and products should be on display at the location featuring the Beauty Angel.
