STANDARD EQUIPMENT

 <p>SMART PERFORMANCE</p>	<p>Smart Performance features static electronic ballasts that ensure top tanning performance while reducing energy consumption. Resulting in energy savings of up to 25% and increased lamp performance.</p>	 <p>BLUETOOTH CONNECT</p>	<p>Using Bluetooth Connect, the client can wirelessly transfer their favourite music from their own smartphone to the Sunrise. It's really easy to control during the tanning session using the convenient Smart Control panel.</p>
 <p>LED LIGHT SHOW</p>	<p>Illuminated by more than 650 long lasting highperformance LEDs the Sunrise light show brings 200 colors and animations to your salon. Choose from different multi colored animated programs.</p>	 <p>MP3 AUX</p>	<p>With this function your clients can connect their MP3 player or smartphone using an audio cable and enjoy their own music during the tanning session.</p>
 <p>LED INTERIOR LIGHT</p>	<p>The interior shines brightly with LED lighting for a clean and inviting space that your customers will enjoy.</p>	 <p>SMART CONTROL</p>	<p>The Smart Touch Control Panel by Ergoline sets a new standard for stand-up tanning. The sleek glass surface is attractive, intuitive and easy to clean. Simply select a feature and used the the Plus and Minus buttons to adjust to your desired settings.</p>
 <p>SURROUND COOLING PLUS</p>	<p>The new Surround Cooling Plus system encircles the entire body with an adjustable flow of cool air throughout a session. From head-to-toe, users are able to perfectly position the flow of air to individual specifications.</p>	 <p>SET-UP MANAGER</p>	<p>The Professional Set-Up Manager makes it easy to adjust the Sunrise to your salon's needs. Preset the default settings for various features including the LED light show, AC temperatures, fan speed and music volume, to name just a few.</p>
 <p>FLOATING DOOR SYSTEM</p>	<p>The new Floating Door System on the Sunrise Series makes customer use and maintenance simple with enhanced floating hinges, soft-close technology and one-touch opening capability for entrance.</p>	 <p>VOICE GUIDE</p>	<p>Voice Guide supports your customers in selecting and adjusting comfort features during a session in the Sunrise. Voice Guide can be deactivated or activated at any time.</p>
 <p>3D SOUND</p>	<p>The 3D Sound System provides a sensational sound experience. The system consists of two speakers and an integrated subwoofer. Clients can connect their smartphone via audio cable or use the internal SD card.</p>	 <p>VIBRA SHAPE (O)</p>	<p>Vibra Shape, activates the body's entire muscular system through its vibrations. The client can choose from four different programs, each offering varying levels of targeted muscle stimulation, exercise and massage intensity.</p>

Notice: Read the mandatory FDA warning label on every tanning machine for important information on potential eye injury, skin cancer, skin aging and photosensitive reaction and proper use. Compliant, protective eyewear must be worn when using any indoor tanning device or system.

CONTRAINDICATIONS:

Follow Instructions. Avoid over-exposure as with natural sunlight. Over-exposure can cause eye or skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and skin cancer. ALWAYS WEAR PROTECTIVE EYEWEAR! Failure to do so may result in severe burns or long term injury to the eyes. Certain medications or cosmetics may increase your sensitivity to ultraviolet radiation. Consult a physician before using sunlamps if you are using medication, have a history of skin problems or believe yourself to be especially sensitive to sunlight. If you do not tan in the sun, you are unlikely to tan from the use of this product. Please refer to the recommended exposure schedule for your skin type and do not tan more than once in a 24-hour period. Attention: This sunlamp product should not be used on persons under the age of 18 years. Persons who should not use this device include anyone who is sunburned, has open wounds, is naturally pale, has discolored patches of skin, has an increased risk of skin cancer, is being treated for or taking medicine causing photosensitivity, is pregnant, has atypical moles or more than 16 moles on their body (2mm diameter or larger). © 2018 JK Products & Services, Inc.
